JUST IN TIME.

Some Norway People May Wait Till It's Too Late.

Don't wait until too late. Be sure to be in time. Just in time with kidney pills. Means curing the back. Before backache becomes chronic; Before serious urinary troubles set in. Doan's Kidney Pills will do this. Here is testimony to prove it.

Irving Merrill, Pleasant St., South Paris, Me., says: "A few months ago I began to suffer from pains in the small of my back. After being in a stooped position for any length of time I found it difficult to straighten. The pain and lameness clung to me for some time and when I saw that the kidney secretions were unnatural and irregular in passage, I decided that my kidneys were affected. I then procured Doan's Kidney Pills and after taking the contents of three boxes, the pain disappeared, together with the kidney difficulty. I heartily recommend Doan's Kidney Pills to any person suffering from disordered kidneys."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

For this week write down the figures from one to ninety-five and under or over the figures leave space for filling in the letters of the answers, which you must find by guessing the key-words from the printed definitions. When all the key-words are correctly written down the quotation will be complete. Another enigma will appear in the ADVERTISER of April 7th.

HARRISON.

George W. Knight. After a brief illness, Geo. W. Knight, an aged, respected citizen of Harrison, passed away early this morning, the 15th. He had been confined to his room only about ten days, although his health had gradually declined during the past year.

Mr. Knight was a carpenter by trade, but the latter part of his life was spent on a farm where he was principally engaged in gardening and fruit raising, of which he made a specialty.

He was a kind friend and neighbor, being very liberal in his gifts to the poor and unfortunate. He invariably defended the absent and was always cheerfully ready any possible assistance in time of trouble. He was also a man of strict integrity, ever stoutly clinging to that wise old saying, "Honesty is the best policy." He was an excellent conversationalist, retaining a clear intellect until the last.

Funeral services were held at Naples, Sunday, February 12th.

GREENWOOD.

Wedding Reception.

Jason Bennett and Cora Morgan, both of town, were married last December but for various reasons a reception was not held until Saturday night at Cole's hall. Illness, the absence of Mr. Bennett or inclement weather have all played a part in postponing this affair; but on the date mentioned conditions were perfect. A more glorious winter night is seldom seen, just a touch of frost in the air, the sky absolutely cloudless, and a moon nearing its full shed a radiant light upon the earth transforming night into day. It was such a night as poets rave over and artists have tried in vain to reproduce upon canvas.

So far as numbers go, only three or four previous occasions has so large a crowd assembled at our hall, fully 150 being in attendance, attesting to the popularity of the royal party, who are widely known and liked in this section of the country.

The principal amusement of the evening was dancing, although games were played previous to the passing of the great caudles, peanuts and cigars.

Everybody had a good time and we are sure that no young couple married here in recent years has had more good wishes for a long, happy and prosperous married life with its attendant blessings.

Mrs. Harriet (Cummings) Damon, a

resident of this village, died at New

York, Feb. 25th, at the advanced age of 36

years and 13 days, from the effects of a

paralytic shock, nine days after. For

the last two years she has made her

home with her niece, Mrs. Chas. Chick.

She came from a very nice family in

New York, her father being Oliver Cum-

mings of that city, and her two brothers,

Rev. L. P. Cummings. She had a fine

education and had traveled in Europe

quite a number of times, having visited

England, Scotland, France, Switzerland

and many other places in Europe.

In 1869 she married Aretas Damon of

West Sumner. She tenderly cared for

him through a long sickness of consump-

tion and after his death she moved to

Buckfield, having purchased a fine res-

idence here. She was a member of the

Baptist church, and for many years her

brother and family of New York visited

her summers. "Aunt Hattie," as she

was always called, was ever ready and

willing to care for the sick, not for

money but from the kindness of her

In the center of the table was a large Jerusalem cherry tree loaded with cherries while each plate was decorated with a little red hatcher and a bunch of cherries.

It is undecided what material the sidewalks will be built of. Some propose concrete, others plank, stone or coal dist. Plank makes a very good pliable material, cheaper than any of the other materials mentioned. One old gentleman wants to build of sand. Sand is all right. A Surprise Party.

David Swan and wife were married on Feb. 8, 1911, and on Saturday evening, Feb. 4, 1911 their friends made a surprise party for them; and it was a surprise in every way for them. About 65 friends and neighbors were present.

Many useful and valuable presents were given them, besides many letters and cards of congratulation; there were \$37.50 in gold besides quite a sum in paper and silver.

Two original poems were read, one by George Bisbee of Woodstock and one by Amos Chas. of Lynde, Mass. Quimby Perham spoke in behalf of those present. There was singing, solos, duets, etc. A fine treat was provided of oranges, bananas, nuts, fancy crackers and punch. Altogether it was a most enjoyable evening.

Mr. and Mrs. Swan commenced house keeping here in 1881 and have the love and respect of all who know them. Mr. Swan has worked at the harness business over 30 years and has always had the confidence of those who have had dealings with him. They have two children, Minnie, wife of Hanno H. Cushman, and Ned L., who is in business with his father.

Poem by Amos F. Chase:
Fifty years ago to day
You have been married they say;
It's a long time to be wed
When looking ahead
But seems a short looking back.
You have been juggling along
With the rest of the throng
And have seen many a dark come and go.
It's a part of one's life
And think how the future may grow.
May your life be as smooth,
And you keep in the groove,
The same in years that have passed;
For then we believe
That you will receive
Whatever blessing is asked.

Poem by George Bisbee:
We have gathered here this evening,
We, your friends, in old and young,
That in your lives can come.
We extend congratulations
To both you and yours,
For the many years have given you
To share each others joys.

You have reached the golden milestone
In life's journey day by day.
You have labored, you have prospered,
Faithful to your duty always.

Fifty years ago tomorrow
You were united man and wife,
In your childhood's home and parents
Chose another to love for life.

Fifty years of wedded life
Filled with pleasures, joy and pain,
Fifty years you've journeyed onward
Earth's blessings to attain.

Fifty years you've spent together
Fifty years you've loved and cared,
Fifty years you've grown and prospered,
Fifty years you've shared and shared.

EAST SUMNER.

Two Ladies Burned to Death.
A most terrible accident occurred in East Sumner, Sunday, March 5, when two old ladies, Salome and Elmer Townsend, were burned to death in their house. Their ages were about seventy years.
When the fire was discovered by a neighbor about 9 o'clock, people went to their aid but the house was a sheet of flame and it was impossible to reach them.
It is not known how the fire started. A more terrible accident never occurred in this town.
The house in which the sisters lived was a small house situated a little distance east of Labrador pond, in the angle of the roads which lead respectively in the direction of Dixfield and the direction of Canton. The house was a total loss and nothing could be saved from it. In its ruins were the bodies of the two

sisters, who had been its occupants. The indications were that they had attempted to reach one of the doors which opened out of the house, but were unable to do so.
The property loss is not large, and it is probable that there is no insurance, as the sisters were in poor financial circumstances.
Inez Dean is working for Mrs. Arthur Chandler.
Ethel Bonney is expected home this week for a short visit.
It is reported that Martha McPherson is soon to work for Mrs. Elsie Buck.
Agnes McPherson is having a vacation. Hattie Russell is taking her place at Osoar Turner's.
The Congregational ladies' circle will give a supper and masquerade social at the vestry, Friday evening, at which the young people are expecting a jolly time.

NORWAY AND VICINITY

Albert H. Williamson.
After a lingering illness of nearly four years, Albert H. Williamson died at his late home in Farmington, Wednesday, February 22.

Mr. Williamson was the youngest child of William and Eliza Williamson of Bethel, and was born in that town, June 27, 1855. He was educated in the public schools of his native town and Gould's Academy. When a young man he entered the employ of the Noyes Drug store of Norway, where by fidelity to his work and the mastery of the knowledge of his profession he soon became a member of the firm. Later he received into partnership Frank Kimball and continued to do business under the firm name of Williamson and Kimball.

September 2, 1896, he was married to Helen Tutts of Farmington. January 1, 1903, Mr. Williamson sold his business in Norway and moved to Farmington where he bought the Cote pharmacy which he conducted with increasing success until failing health compelled him to retire from business in July, 1907. During the remainder of his life Mr. Williamson lived most of the time in Farmington. Mr. Williamson was a firm believer in fraternal organization. He was a member of the Knights of Pythias, the Odd Fellows, the Masons, and a Knight Templar of the Strathglass Commandery of Farmington. He was a member of the Methodist Episcopal church and a generous giver to all its work. Mr. Williamson was by nature modest and retiring. He was a man of exceeding kindness and large sympathy. He was interested in all worthy causes and responsive to their support. He made many friends and no enemies. He bore his suffering with great patience and fortitude. The esteem in which he was held was attested by the many beautiful floral offerings and the large number of friends at his funeral. He is survived by his wife who constant ministry of care skill and love, prolonged his days and alleviated his suffering.

He also leaves three brothers and two sisters, Henry Williamson of Roadville, Mass.; George Williamson of Ludlow; Richard Williamson of Bethel; Mrs. Marie Mason of Texas; Mrs. Helen Cleveland of McDonald, Pa.

The funeral services were conducted by Rev. George A. Martin of the Grace Episcopal church of Bangor, and the burial was in Norway.

The legislative committee on towns reports, "ought not to pass" on the bill asking to set out the estate of Fredland Howe, Jr., on Pleasant street from Norway Village Corporation.

THAT AWFUL BACKACHE

Cured by Lydia E. Pinkham's Vegetable Compound.

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my work, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE BODALL, Morton's Gap, Kentucky.

Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

Write to Mrs. Pinkham, at Lynn, Mass., for special advice. You will receive it absolutely confidential, and the advice free.

The Doctor's Question.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that a constipation of the bowels is attended with insidious and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Recall Ordinaries are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Recall Ordinaries are eaten like candy, they act quietly and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhea or any annoying effects. They are especially good for children, weak persons or old folks. Two sizes, 25c and 10c. Sold only at our store—The Rexall Store, P. P. Stone, Main street, Norway.

BETHEL.

An Old Book.
Rev. J. H. Little has in his library a book which was printed in Norway in 1827, by Asa Barton for Samuel Hutchinson. The printing office was in connection with the Oxford Book Store.

The title of the book is, An Apology for Believing in Universal Reconciliation to the dance.

On the back leaves of the book is an advertisement of other books for sale at the Oxford Book Store, including Ballou's Notes on the Parables, Winchester's Disputes, Kneeland's Controversy with McCauley, Ballou's Inquiry, History of Universalism, and Kneeland's Sermons on the Divine Benevolence.

Other books advertised for sale at the same store were Readers, Histories, Grammars, Arithmetics, Columbian Orator, Horace, Virgil, Sallust and other classical books.

It is an interesting volume and Norway must be considered as having one of the earliest book publishing houses in New England and one which was engaged in disseminating religious knowledge.

The sleighing continues fine only the rutts make it bad in places about turning out to the dance.

Snowshoeing is popular now and parties are out every day getting the benefit of this exercise.

Singing.....
Chorus of eight young ladies led by Mrs. Baughart.....
Scripture reading.....
Solemn invocation.....
Introductory address.....
A tribute to Miss Willard.....
Address on the life and work of Frances Willard.....
Singing.....
E. C. Park was expected to speak but was compelled to be absent, and Rev. J. H. Little was called upon to take his place. He made a short address on two prominent elements of character, which enabled Miss Willard to accomplish the vast amount of work she did and with such eminent success, i. e. her uttering activity of hand and brain and her rigid self denial for the sake of the cause in which she was engaged. Singing and congregation and benediction by the pastor, Rev. Mr. Baughart, closed the service.

She was conscious to the last and her husband and comfort for she said she had no ill will toward anybody and loved them all. She was always cheerful and happy, although knowing that death was near. She was tenderly cared for. The young husband accompanied the body of his wife to Malden, Mass., where funeral services were conducted from A. N. Ward's Undertaking Rooms, Irving street. The floral tributes were many and beautiful. A mourning wreath from the husband with the words, "Beloved Wife," another from mother, Mrs. Margaret Robert, and sisters Lillie and Clara with the word "Mildred," beside them in floral tributes. ROYAL Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

Royal Baking Powder is made from pure grape cream of tartar, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is more economical at its price than any other leavening agent, because of the superlative quality and absolute wholesomeness of the food it makes.

Mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food. In England, France, Germany and some sections of the United States their sale is prohibited by law. Alum is a dangerous mineral acid, and all physicians condemn baking powders containing it.

The label of alum baking powders must show the ingredients.

WHY CHEAP COFFEE IS EXPENSIVE

This coffee talk applies only to those people who use coffee that costs 20c or less. Isn't it true that you throw away from three to a dozen cups, possibly more, out of each pound that you buy? Perhaps it is left in the cups at the table or it may be in the coffee pot—did you ever count the cost of your coffee per cup and know how much this wasted coffee costs you, or did you ever wonder why it was wasted? There is only one reason why it is wasted—the family did not like it, it did not taste good to them. If you throw away say one-fifth of your coffee you are really paying for a pound of our "Corona" coffee (30c) but not enjoying it. Not a cupful of that coffee will ever be wasted—tastes so good. Will you try it? "Corona" and four other kinds of good coffee can be procured at
